Living conditions

As a student Chamaelle is engaged. she is residing with her mother and they own goat and dog. Chamaelle and family reside in a three-room house built of concrete block and tin roof.

The Puits sales area is in the south of Haiti, in the Fond des Blancs commune. The inhabitants live from cattle breeding, fishing, the sale of goods and charcoal.

The partnership that introduced the sponsorship program in the area was a great benefit for both the community and the children. The program is working well.
